Love can sometimes take you to some of the most unimaginable places, both good and bad. Sometimes it's not until we reach rock bottom that we realize that the love that we've been searching for has been with us all along. Dying To Be Loved allows readers to experience a different kind of love story. One that shows the different challenges you face in dealing with love. "Love" in its present form is used as a term of expression and endearment however, Dying To Be Loved allows the reader to visualize and experience love from different angles. The author takes you on an emotional roller coaster covering issues such as friendship, depression, abuse, abandonment, religion, self-esteem, loss of love, crazy love and storybook love. You'll laugh, you'll cry but by the end you will hopefully be thanking GOD for your life. SYNOPSIS Meet Kent, Kyndal and Gabrielle, three characters living totally separate lives all on a quest to find real love. Follow them as they struggle to survive and break away from their destructive past experiences with love, making many sacrifices along the way. As pain leads them in different directions, one thing is consistent, love hurts. Will Kyndal, the praised women's counselor whom was left standing at the altar, allow the hurt from her childhood to break her down mentally to the point of no return? Will Gabrielle, the professional, allow the race of her dream husband to overshadow his abuse or will her eyes finally open when her life is on the line? Will Kent's womanizing ways change after an unexpected attack on his life? Are they willing to give their lives to be loved? Or will their struggles ultimately lead them to the altar? Join them on their journey in the fight of their lives, all for love sake.
